*ALL*, Expanded Chinat Map Program

XX

See below 25X1A6b

, 12 August 1960

The Mapping and Intelligence Section of USARPAC indicates Army Map Service and Army Chief of Engineers, Washington, has reconfirmed belief there is justification for expansion of Chinese Nationalist Map Service. USARPAC requests that appropriate person contact Mr. Siebert at Army Chief of Engineers for additional discussion of program to increase Chinese Nationalist Map Program from 200 to 400 sheets annually.
